

The Gaea shop is like Aladdin's Cave. You can choose from a wide range of crystals, fossils, jewellery, relaxing music, self-development books, incense and much more.

We also run courses and workshops on a range of subjects including Reiki healing, crystal therapy, psychic development and meditation.

Our up-to-date schedule can be found on our website or in our newsletter.

Emerald Nursery offers a selection of ornamental trees, shrubs, and perennials. You are welcome to browse and plan your garden over a relaxing cup of tea.
